## **#3 BUILD Your Immune System!**

Every cell in your body needs protection from foreign invaders like viruses, bacteria, and even cancer cells. BUILD your immune system and eliminate these invaders, before they can affect you.

## For Good Reason.

Peristalsis, the natural contractions of the colon muscle, is what helps your fecal matter to move along and out of your body, every day. If your peristalsis is weak or sluggish, the feces in your colon just sit there, festering and becoming toxic. Dr. Schulze's powerful herbal blend contains the natural phytochemical Emodin, which increases peristaltic waves, toning and strengthening the muscle to work more efficiently, so you can **get the waste out and have a flatter stomach!**

In my clinic, I cut and filleted Aloe leaves to blend with numerous amazing herbs and herbal oils to relieve hundreds of different skin ailments. Over the decades, my patients used to refer to my herbal blends as “Miracle Cream.” After thousands of requests, I have decided to make it for everyone!

#### Thanks for a True Miracle!

Hi from a happy customer. I have just started using your new Miracle Cream, and I love it. I don't know if it was intended to be used as a facial cream, but I have been using it that way for several nights, and am thrilled with the results. Friends are starting to ask me what I have been using because the lines and wrinkles (I just turned 70) are disappearing. I would LOVE to see a version of this product made specifically for facial use, perhaps not as thick. Thanks for a true miracle!

— Sharon M.

#### Miracle Cream is a Miracle!

I have had dark circles around my eyes for over 20 years. I've tried many different creams, including hemorrhoid cream! I didn't even know that Dr. Schulze had started selling this and when I was making my purchase stumbled across this Miracle. I've been using it for only 1 week and have noticed a huge difference. My husband even says it's a Miracle and wants to start using it on his face. Thank you, Dr. Schulze!

— Roni S.

#### Greatest Skin Cream Ever!

I love all your products. Recently started using the Miracle Cream and it's absolutely the greatest skin cream ever. I had a lot of sunspots on my skin from overexposure to sun over the years. Miracle Cream seems to be healing me from the spots. Thank you so much Dr Schulze for your commitment to Health Excellence.
