HELPED WITH MY SEX DRIVE...

"Your Female Formula helped with my sex drive, which is needed for my husband and I to have another child! Thanks!"

— Nicki H.

I NOTICED A BIG DIFFERENCE!

"Over a period of about two years, I was having many female problems and couldn't find anything to help. After doing both your liver and kidney cleanses, I noticed a big difference in how I felt. I also started using Female Formula, and since then, I have not had any problems with yeast infections or any other female problems."

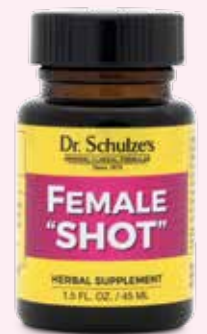

— Barbara B.

What's in it that makes you feel so aroused?

- Dong Quai Root, Chaste Tree Berry and Wild Yam Root—the **go-to herbs used to support female health** in Chinese, European and American Herbal Medicine.
- Damiana Leaf, a "constitutional" herb and a popular **female aphrodisiac** throughout history.
- Over a BILLION women worldwide use Dong Quai as a lifesaving **hormone balancer**.
- Chaste Tree Berry, scientifically documented in European clinical trials to successfully treat everything from **acne, menstrual problems and PMS to poor lactation and fibroid tumors**.
- Wild Yam Root contains natural **plant-based steroids**, and was once used in the Americas to manufacture hormones.
- Licorice Root and Hops Flowers, known for **stimulating feminine energy**, while increasing circulation to your female organs to keep them healthy.

The phytochemicals in these powerful herbs work to affect the pituitary and hypothalamus glands in the brain, which both control the manufacture of hormones from the ovaries. They give you a sense of well-being and control and help slow down the aging process so you not only feel healthier, but you look sexier, too!

STIMULATE Your **Feminine Energy!**

Balance Your Hormones Naturally!

Bring Your Body Back To Balance!

Female Formula

- ✓ **Regulates and balances** during her monthly cycle
- ✓ **Feel physically and emotionally balanced**
- ✓ **Helps reduce the stress** of the changing female body chemistry later in life

Menopause doesn't have to be the "curse from hell" of old age. It can be a beautiful, natural change of life. Every woman will experience it. Most women experience hot flashes, anxiety, sleeplessness, night sweats while many others feel like they're losing their minds. Menopause causes family problems, divorces, and even suicides. This formula was a life-saver in my clinic.

Menopause **Nightmare!**

FACT Every day, 6,000 more American women enter menopause, with an estimated 70 million left totally debilitated by their menopause crashes.

FACT A recent study from the Yale School of Medicine discovered Female Sexual Dysfunction **AFFECTS 48%** of women in the United States.

FACT One of the main reasons you age prematurely and lose your sex drive is an imbalance in your hormones. This can be caused by a hundred different reasons, but the most common are birth control pills, junk food, meat, eggs, milk, stress, lack of nutrition, lack of exercise and a toxic body.

HOT FLASHES GONE!

"My hot flashes were unbearable. After using your formula for only a month, they are gone and have never returned. My skin is smoother and not as dry and my hair stopped falling out. Thank you."

— M.J. in New York, NY

MOVING THROUGH, HEALTHY AND WITH STYLE!

"Female Formula helps me through my peri-menopausal stage in life. It helps regulate my menses and my mood changes, hot flashes, bloating and all the symptoms associated with menopause. This is a stage most of us women go through and it has such a negative rap and it doesn't have to be so. We go through all stages in life and now I have the option to do it healthy and with style."

— I.B. in Los Angeles, CA

For **CRISIS Situations!**

A **POWERFUL**, extra-strength formula for crisis situations related to menstruation, menopause and fertility. When you experience any sudden hot flashes, or a clump of hair is falling out, and you feel that your hormones are really out of whack, take one Female "SHOT" and be back in balance **FAST**.

TRULY A MIRACLE FOR MY SYMPTOMS!

"Within an hour of taking FEM+ I feel grounded and able to cope with life. Usually during PMS, I am overwhelmed with emotions, but FEM+ is truly a miracle for my symptoms."

— Mayumi C.

Why I Created FEM+ Formula

In the 1970's I designed the FEM+ right in my clinic, to fill a desperate cry from my female patients who were suffering with what is now known to be Premenstrual Syndrome or PMS. In the 1980's and early 1990's, while medical doctors were still telling my female patients "it's all in your head", I was using FEM+ Tonic to help thousands of women balance their hormones, calm their nerves, eliminate bloating and water retention and literally totally eliminate PMS. The hormone balancing herbs eliminate the crash, and help your body ease into your menstrual transition. I also added nervine and sedative herbs to eliminate the stress that comes with PMS and calm your nerves. Lastly, I added diuretic herbs, to relieve the bloating and water retention that also comes with PMS.

The Bottom Line, this tonic saved jobs, relationships, marriages and even lives.

"It used to be, I was awakened every morning with an urge to urinate. I decided to try Dr. Schulze's Prostate Formula just to help my body. WOW! Within days of using the formula I no longer have to pee when I wake up. This was 5 years ago now. I just use the formula 3-5 times per year as a maintenance tool for my body. It works!"

– Anthony S., Los Angeles, CA

Sleep Through The Night Again

In the clinic, this herbal formula never failed to help Dr. Schulze's male patients develop healthy prostates, and allowed them to urinate freely and sleep through the night.

The average male who came to the clinic with prostate concerns had to get up two or three times in the middle of the night to pee. Their urine stream was not as strong as it once was, and they had issues with urine force and flow. In the clinic, the program Dr. Schulze gave to all of his male patients with these common experiences was simple and it worked. Support your prostate health naturally!

FEEL LIKE A YOUNG MAN AGAIN!

"Your Prostate Formula makes me feel like a young man again. More like a stallion than an old horse. I've become the energizer bunny!"

– Richard R.

OVERALL HEALTH IS AMAZING!

"I am presently able to sleep through the night without having to run to the bathroom several times during the night. My overall health is amazing now!"

– Cisco D.

BETTER SLEEP!

"I am getting more sleep instead of getting up all night to urinate. Thanks!"

– Robert G.
