THE DR. SCHULZE REVOLUTION:

# Live Better, Live Longer!

A **Revolution** means to Revolt against something, and I have been revolting against how we use Doctors, Drugs, and Hospitals my entire life. Fifty years later, many Americans have really changed; they are living smarter and healthier. These people are **Living Better**, meaning having a better **Quality of Life** and **Living Longer**, meaning a longer **Quantity of Life**.

## RESPONSIBILITY

My parents took no responsibility for their health. They had no idea how to live and thought disease was just bad luck, *not bad living*. They did everything their medical doctors told them to do. They took every drug, did every surgery suggested, and this ignorance caused them pain, mutilation, made them drug addicts, robbed them of their quality of life, robbed them of their life savings and sent them both to an early grave at 55. We have all seen this same horror story played out with our loved ones, relatives, or friends.

When I was young, I barely escaped this same crazy nightmare of medical surgeries and drugs. But saying “no” and running out of the hospital as a teenager was the best decision I ever made, and it’s what saved my life and changed it forever.

## REVOLUTION

Webster’s Dictionary says that a Revolution is a fundamental change in the way we think about something and the way we do something. That’s exactly what my Revolution is. It’s my crusade to unbrainwash people and to reeducate them, and show them there is an option, an alternate reality, an alternate way of living, using an alternate system of healing and of health. To steer people away from the American system of disease management and towards a much more fun and healthy way to live.

It’s time to wake up and see that health care in America is actually disease care—it’s not affordable and it’s NOT FUN! And in the 50 years since my parents died, yeah, medicine looks a lot more slick, but the medical philosophy and approach are almost the same. It hasn’t changed—look around, very few people are getting better, and most are still getting sliced up and addicted to drugs. It’s still expensive, painful, mutilating and depressing. Trying to cut and drug people into health, sure that’s one reality, but it doesn’t work very well. My Revolution for the last fifty years has been to tell people about a different reality.

## START HEALING

I had a sign hanging in my clinic that read, “You’re looking for a good doctor, but I am looking for good patients.” I have always said, it’s simple to heal anything, any sickness or any disease, and build extremely powerful health. All I had to do was get my patients to STOP doing what was making them sick and START doing what would heal them and create powerful health. That’s pretty basic.

The way I see it, it’s my job to get you to feel Great, and have tons of Energy to do all the things you want to do in life, and be able to do this for as long as possible. So my system is a no bullshit system. It’s very simple, easy to understand, and even easier to do.

## 5 FUNDAMENTALS OF HEALTH

Over decades in my clinic, I recognized that there were 5 Fundamentals of Health. When ignored, these 5 Fundamentals caused the vast majority of disease, but when addressed, these same 5 Fundamentals built extremely powerful, life-changing health, and literally created healing miracles. Get powerful NUTRITION IN, get the toxic WASTE OUT, supercharge your IMMUNE ability, flush and DETOX poisons from your body, and treat SPECIFIC problems before they turn into worse problems. That’s it! 5 simple steps, that when followed, solve almost every health issue, give you tremendous energy, and better yet, build powerful lasting health.

And to help you achieve this goal, I use clean and effective medicine—nature’s medicine. After almost 50 years in this business, and running a clinic for decades, I can honestly and bluntly say I make the best herbal medicine on the planet. And when I say the best, I mean THE BEST! My herbal formulae are powerfully effective because running my clinic for decades taught me what really works. They are the highest quality available anywhere. They are the cleanest, purest, most potent and most effective, so if you want the absolute best, you’ve found it.

## BE PART OF THE SOLUTION

In the 60’s we had a saying, ‘If you’re not part of the solution, then you’re part of the problem’. My patients, customers and I all believe that most of our current system of modern medicine is part of the problem. It is not sustainable, it’s too expensive and worse, it doesn’t create health but simply manages disease.

So please, turn the page and make my Revolution OUR Revolution! Together, let’s create a system of health and healing that is natural, sustainable, clean and effective, and a lifestyle that supports you to live Bigger, Better, Stronger and Longer. You deserve it!

# Nobody Does It Like We Do!

**A**t Dr. Schulze's American Botanical Pharmacy, we take your trust extremely seriously. We guarantee you that we use the purest, most potent herbs. No herbal formula is made more concentrated or **POTENT**, and none have more clinical success stories or **PROVEN** results than Dr. Schulze's original clinical herbal formulas and products.

## THE PUREST

Over 30 years ago, Dr. Schulze was one of the first to use organically grown and wild-harvested herbs to make his clinical formulas, long before it was fashionable or trendy. His passion has always been to find the cleanest and most powerful herbs available, and using organic achieves both clean and powerful.

## No Toxic Chemicals Ever!

Dr. Schulze always says, "It is not good, common sense to make a formula for cleaning and detoxifying your organs and body with herbs sprayed with toxic fertilizers, insecticides, pesticides and other farming pollutants. It is not safe to ingest them, and worse, these toxic chemicals also pollute the land and environment."

## THE MOST POTENT

Growing and finding the purest herbs is the first and most important aspect of making the finest herbal formulas. The second most important aspect is taking your time when preparing these formulas. Today, most herbal manufacturers have sped-up their processing time to quick 3-day extractions (or even 3-hour extractions) by using heat and, sometimes, not even using the actual raw plants and herbs anymore. We use a 14-day extraction cycle because it is the proven, centuries-old method for making the most potent herbal formulas.

## We Never Skimp On Herbs!

Next is our herb-to-liquid ratio. Herbal authorities and the new breed of herbal manufacturers now say that only 10% of raw herbs to 90% liquid is necessary to make most herbal tonics.

Obviously, these manufacturers have never been really sick, never run a clinic, never had patients or have never had sick children, parents or siblings they were trying to keep alive. If they had, they wouldn't be thinking about scrimping and putting 10% or 20% or only 30% herbs in their products.

## We Cram The Vats To The Top!

All of our tonics are made by filling each and every vat up to the **VERY TOP**, 100% with raw herbs. In fact, with every vat, when we add the liquid menstrum, the vats overflow and herbs spill onto the floor. Here is what Dr. Schulze **KNOWS**: "My clinic was filled with patients that were still ill, long after the doctors gave up. But, when they started using my much more concentrated formulas, they saw immediate and remarkable results."

## AND PROVEN

Dr. Schulze designed his clinical herbal formulas for his patients and, for over three decades, has refined them to be the most **EFFECTIVE** herbal formulas anywhere.

## We Focus On Results!

Designing herbal formulas without ever having run a clinic is like typing on a computer keyboard without a monitor—you have no idea what the results will be. You would be surprised at how many herbal manufacturers design their formulas in exactly this way, focusing on what is trendy and what will sell, with no focus on results. We keep our focus on **PROVEN** results!

# Our Endless Pursuit To Bring You The Best Products – Bar None.

Our Unmatched Attention To **QUALITY!**

We take the extra steps to bring you the most extraordinary products. This, and much more, is what we do every day in our commitment to support you to create powerful health naturally!

## In The Ground For Two Years

The potency of an herb is based on how well it's grown. Our **Echinacea Purpurea** seeds are planted in the ground for a minimum of two years to yield the highest quality seeds. Most herbal companies harvest within a twelve-month cycle, or less.

## Fresh Off The Tree

We pick our premium **Ginkgo biloba** leaves fresh off the tree for maximum potency, rather than harvesting the leaves already on the ground. Of course, it's easier and cheaper to just shovel them up, but that's not who we are.

## Most Potent Spirulina on Earth

Our **Spirulina** is grown in a region with over 300 days of sunlight per year—more than any other Spirulina-growing region in the world—yielding much more vitamin content per serving.

## Never Pasteurized

Our organic **Almonds** come from Europe, since our home state of California requires all almonds to be pasteurized.

## More Rich Flavor & Potency

Our **Cinnamon** contains extremely high-volatile oils because it is harvested from older trees and thus has more flavor and potency.

## Shade Dried, Never Heated For Peak Freshness

All of our herbs are shade dried and never heated to preserve maximum freshness and potency.

## Pure From Beginning to End

Our herbs are never irradiated or gassed like 90% of the herbs sold today. So when we say “pure”, we mean pure, from beginning to end.

# The Best.

Dr. Schulze's SuperFood nutritional products are simply the best. The most potent, 100% food and herbal supplements available, **period**.

Whether you are trying to heal your body, boost energy naturally, get optimum performance, or simply look and feel the best you ever have, Dr. Schulze's line of SuperFood products are second to none. Each one is designed to blast your bloodstream with a rich supply of nutrients derived from the most potent plant foods on the planet, painstakingly selected by Dr. Schulze in his clinic to increase your energy, vitality and strength.

## There Is No Competition

The majority of the dietary and nutritional supplements on the market are nothing more than cheap industrial chemicals or fillers with minuscule quantities of natural ingredients, if any. Your body passes most of these cheap toxins right through without even trying to utilize them.

Dr. Schulze has been perfecting his SuperFood formulas for nearly 40 years. Each formula contains nothing but natural ingredients, sourced from around the world, and carefully chosen for purity, potency,

efficacy, and its ability to be rapidly assimilated by your body.

## You Need Superfoods

Most people today live on a diet of over-processed and overcooked food, not to mention coffee, sugar, chocolate, junk food, prescription drugs, and alcohol. Even if your diet is healthy, our environment is more toxic and has more chemical pollutants with less oxygen in it than ever before. Most of us suffer from lack of exercise, lack of sleep, and excessive stress. This constant bombardment devours nutrients.

Nutrition is what builds every cell, every organ, and every metabolic chemical in your body—it's what YOU are made of. A lack of nutrition in your blood can cause everything from low energy and a weak immune system to premature aging and virtually any disease. Having a rich supply of nutrition in your blood gives you energy, vitality and strength, protects you from disease and illness, and, if you get sick, speeds up your recovery dramatically.

# No One Eats This Well. No One.

**Dr. Schulze uses only the most powerful herbal ingredients**—the highest, most nutrient-dense sources of vitamins and minerals on the planet! The powerful nutrients, and the healing and health benefits of each ingredient, are almost endless. When mixed together, **they created healing miracles in his clinic.**

“These superfoods are nature’s way to a healthy body. I have never met a person that didn’t need more nutrition!” — *Dr. Schulze*

# Super-C vs. Chemicals: Ingredients Matter

## **Natural** Vitamin C Complex

Vitamin C Complex occurs naturally in nature within fruits, vegetables, and herbs. It is a unique complex of a wide variety of nutrients, which is why it is called Vitamin C COMPLEX. It is much more than just one single chemical such as ascorbic acid. It is Vitamin C, plus numerous bioflavonoids (also known as Vitamin P such as hesperidin, rutin, quercetin, quercitrin, flavones, catechins, anthocyanidins and tangretin).

There are over 5,000 natural Vitamin C Complexes and flavones found in food that are extremely important to health. In just one study of 475,000 people in 10 European countries, it was found that people whose diets are rich in flavones had a much lower incidence of cancer. They were not taking chemical ascorbic acid, but eating foods rich in Vitamin C Complex.

All of the Vitamin C Complex nutrients are recognized, assimilated, and utilized by your body. They are super-foods and powerfully nutritious—stimulating, building and repairing nutrients for your body.

As I said, vitamins are much more than just a single chemical. They are a live, organic complex of nutrients, enzymes, co-enzymes, antioxidants and trace minerals, which are biochemically alive and active.

**V** **S**

## **Synthetic** Ascorbic Acid

Synthetic Vitamin C, or ascorbic acid, is not found in nature, and it is not a food. It is a synthetic chemical. It can only be made in a laboratory, from sugar that has been mutated with extremely harsh and powerful toxic chemicals, like nail polish remover and chlorine bleach. It is NOT alive. It is DEAD.

Outrageously, almost EVERY SINGLE popular Vitamin C supplement on the market today is made using chemically-synthesized ascorbic acid. WHY?

Well, for one reason and one reason only; it is extremely CHEAP! Ascorbic acid is cheap “vitamin chemotherapy.” This is why a single dose of ascorbic acid only costs a thousandth of a cent! Most all well-known research about the amazing healing and health benefits of Vitamin C was NOT done on ascorbic acid, but done using foods rich in Vitamin C. Don't be misled! The benefits of NATURAL Vitamin C are not supported with chemical ascorbic acid.

Ascorbic acid does kill bacteria but, like antibiotics, it kills your “friendly” bacteria, too. It destroys your needed intestinal flora, which is why it often causes stomach upset, intestinal upset and bleeding.

Dr. Schulze selects Vitamin C Complex directly from a variety of powerful, natural sources.

Ascorbic Acid, never used in our products, is a synthetic chemical.

# 6 Reasons You Need SuperFood Every Day.

## Have **MORE ENERGY**

Chemical stimulants and sugar are no way to boost your energy. More often than not, you've wasted your money and end up crashing soon after. Pure, plant-based nutrition that assimilates into your body and bloodstream in seconds will boost your energy for the day, and for life!

## LOOK & FEEL Younger

Getting more potent nutrition into your body every day builds more substances like Collagen, Elastin and Keratin. These proteins make your face look younger, smoother, less wrinkled, and keep your muscles more elastic!

## Fuel **PERFORMANCE**

Every type of exercise, from casual to extreme, burns energy and places heavy demands on the available nutrition in your body. Powerful nutrition before and after your workout allows you to maximize the benefits of your hard work!

## Get Well & **STAY WELL**

Whether you are facing the common cold, a few nagging aches and pains, or something more serious, your first step must be to dramatically increase the quantity (and the quality) of pure, powerful nutrition entering your body every day!

## Combat **STRESS**

Day in and day out we are bombarded with emotional and environmental stress. Stress burns through your body's nutrients faster than a raging wildfire. Getting a daily blast of potent and powerful nutrition gives your body the strength to persevere!

## Age **GRACEFULLY**

There really is a fountain of youth, that slows aging, even reverses it, creating amazing powerful health, and it's powerful nutrition. Bottom line: Nutrition feeds every cell in your body and builds healthy strong new cells, hormones, skin, bones, muscle, and organs...it builds YOU!

### **HEALED FROM DEMENTIA, ALZHEIMER'S, DEPRESSION, AND ANXIETY!**

"I have been using SuperFood for years and I have had amazing results. I started using SuperFood because it was recommended to keep me regular. After five years I noticed I never got sick! No more sinus infections; no more flu! My father was suffering from dementia, Alzheimer's, depression and anxiety after heart surgery. We were told he would need to be put into a full-service home. He was on medication for everything and the drugs were killing him! I convinced my mother to start giving him SuperFood and stop all the medications. After one month he recovered completely and was back to his lovely self. Thank you, Dr. Schulze!"

– R.H., Los Angeles, CA

### **MY LIFE AND THINKING HAVE CHANGED FOR THE BETTER!**

– D.L., Carlsbad, CA

### **HEALED FROM CHEMO!**

"I was in chemo 3 years ago. I could never even get up and make some tea. After I took SuperFood, in 2 days I was cooking all meals and in 2 weeks I was driving myself to the supermarket. It was a turning point in my life and still today I take SuperFood."

– N.H., Calibbrook, NH

# The UnBlockers.

Dr. Schulze's elimination formulas take a unique approach to bowel movements. Instead of bypassing your system by softening your stool, they **strengthen the muscles of the colon** to work more effectively, **while also absorbing and neutralizing the many toxins** found in retained, excess waste.

Every single patient in Dr. Schulze's clinic had retained waste somewhere in their body, and most often it was in their bowel. Why? Dr. Schulze has three reasons...

FIRST, ALL animal food—meat, eggs and dairy—has absolutely NO fiber. So, when we eat it, it's really hard to get that grease and fat out of our bowel. Add in wheat and flour products, and now you have a heavy paste. SECOND, we don't move our bodies much, and a sedentary lifestyle promotes constipation. THIRD, we have plenty of stress, major stress, which also causes constipation.

Add all of this up, and you can clearly see why Americans not only have the highest incidence of

constipation, but also the highest incidence of colon and rectal disease on the planet!

Even worse, retained fecal waste causes everything from bad skin, bad breath, and backaches, to headaches and low energy, and contributes to the worsening of every known major disease.

In the clinic, getting the excess waste OUT, along with increased nutrition, had the biggest impact to solve chronic health problems and greatly increased Dr. Schulze's patients' overall health. His patients were always so amazed at how much better they felt after having regular and complete bowel movements.

# Everyone Retains Too Much Waste. Everyone.

A constipated colon can cause an almost endless amount of seemingly unrelated symptoms and problems. The average American stores from 10 to 12 pounds of fecal waste in their colon, which is definitely not healthy. **You must get the WASTE OUT.**

**Curaçao & Cape Aloe Leaf**

## Powerful UnBlockers!

Curacao and Cape Aloe leaf is the most potent and effective bowel cleansing herb in the world! When the phytochemicals in Aloe come in contact with the surface of the bowel, it causes immediate muscular contractions to ease constipation.

**Senna Leaf and Pod**

A very reliable stool softener and bowel cleanser! The Senna leaf and pod stimulate the bowel to pulse more quickly, allowing more water to remain in the stool, rather than be absorbed back into the body; this makes for an easier, softer, faster bowel movement.

**Cascara Sagrada**

Little else in nature provides such swift relief and reliable results! Cascara Sagrada stimulates the natural rhythmic contractions of the bowel that are more commonly known as peristalsis. It also tones the muscle wall as it works, exercising and toning the bowel muscle.

## Powerful Eliminators

Powerful stimulants to support both elimination and digestion.

**Habanero Pepper**

**Hawaiian Yellow Ginger Root**

## Great Neutralizers

Absorbs and neutralizes poisons, toxins and heavy metals.

**Activated Willow Charcoal**

**Apple Pectin**

## Soothes & Heals

Coats and protects the bowel reducing inflammation and irritation.

# 5 Incredible Benefits From Using The Most Powerful UnBlockers!

## Immediate **WEIGHT LOSS**

Since the average American stores from 10 to 12 pounds of fecal waste in their colon, removing this accumulated fecal waste from your bowel will help you to lose weight, feel lighter, and give you a flatter stomach!

## Remove **TOXINS**

Your bowel is the largest elimination organ in your body. It is the major way that waste gets out. When your bowel is not working efficiently, your fecal waste becomes stored in your colon, eventually turning to sludge and poisoning you as it absorbs back into your body. You need to get these toxins out.

## An Abundance of **ENERGY**

Once your body begins to remove the built-up toxins, poisons, waste, acids and mucous in your colon, you will feel great, and most noticeably, have a lot more ENERGY!

## Efficient **WASTE REMOVAL**

Cleaning your bowel makes it a more efficient waste-removal machine. This not only keeps the rest of your body and organs clean, but also prevents problems before they even begin.

## **STRENGTHENS** Your Bowel

Peristalsis, the propulsive contractions of the colon muscle, help fecal matter to move along and out of your body. The herbs in Dr. Schulze's formulas work to increase these waves, thus strengthening and toning your bowel.

# The UnBlockers. For Good Reason.

Peristalsis, the propulsive contractions of the colon muscle, is what helps your fecal matter to move along and out of your body, every day. If your peristalsis is weak or sluggish, the feces in your colon just sits there, festering and becoming toxic. Dr. Schulze's powerful herbal blend contains the natural phytochemical Emodin, which increases peristaltic waves, toning and strengthening the muscle to work more efficiently, so you can **get the waste out and have a flatter stomach!**

## Quick Start Guide To The Best Bowel UnBlockers.

**Intestinal Formula #1** is Dr. Schulze's premiere elimination product to powerfully promote regular and complete bowel movements.

**Intestinal Formula #1 MAX** is a maximum strength version of Intestinal Formula #1, created for those who need something a little stronger.

And for those who need something a little milder, **Intestinal Formula #3** is a liquid version that is great for the whole family.

**HerbalMucil Plus** is an organic, high-fiber formula with absolutely no sugars or fillers. Used daily, it will promote easy bowel movements and help maintain regularity.

The **Bowel Flush "SHOT"** is for the times when we overindulge. It will flush the "digestive nightmare" out of your bowel by morning. Plus, the smaller "SHOT" sized bottles make it conveniently portable.

## Real People. Real Results.

### DOCTOR RECOMMENDED!

“I have had Diverticulitis for the past several years. Last August, I asked my doctor, who had colon cancer surgery, what he took to regulate his bowels. He told me about Intestinal Formula #1. I started taking it and I feel just great! No more stomach pains and for the first time in my life, I am regular.”

– Johanna D., Bishop, TX

### FEELING BETTER AND SAVING MONEY!

“I had chronic constipation and after several trips to a colon hydrotherapist, she told me about Intestinal Formula #1. The therapist who had been helping me saw how much money I was spending and directed me to your product. Now I take it each night before bed and it keeps me regular. I started with 6 capsules a day (POWERFUL DOSE) and am now taking just 2, with great results. Thank you God, and thank you Dr. Schulze for this amazing product.”

– Tabitha L., Breeding, KY

### LIFELONG MISERY RELIEVED!

“I am 81 years old, and since young childhood, I have gone from bowel impaction to bowel impaction. The older I got, the worse it got, to where I would sit on the toilet and cry. My husband wanted to call 9-1-1 many times. I first used your Intestinal Formula #1 in Sept 2011. After a week I no longer had a problem and have not had an impaction since! I can't thank you enough for relieving me of this lifelong misery.”

– Bobbie B., Lawrence, KS

### FORMULA #1 SAVED ME AFTER MY COMA!

“I came out of a coma and for eighteen years I could not have a bowel movement on my own without pain and much time between. Doctors couldn't find anything wrong with me. I took the Intestinal Formula #1 and the very next morning went to the bathroom and had soft stools with no pain. It is amazing!”

# The Ultimate.

A healthy and strong immune system can do far more than help you fight and prevent illness. It can be the key to managing stress, sleeping well, and **for looking and feeling great throughout a very long life.**

**N**ever before in the history of mankind have we had so much stress.

First, there is the PHYSICAL stress from eating more toxic chemicals than ever existed before, and from the highest consumption of junk food, fat, sugar, grease, soft drinks, snacks and candy than ever before. Add to that the physical stress of insufficient sleep and exercise, and you have a recipe for disaster.

Now, add to that the EMOTIONAL stress of every day life. Today, our brains are being constantly bombarded and polluted with more information in

one day than the average person had in their entire life just 100 years ago. My patients were literally run over on the information highway.

Every patient that walked into my clinic was beat up, run down, and worn out, which caused a depressed immune system. This not only led to more colds, influenza, and infections, but also opened the door to almost all major diseases.

Building a strong and powerful IMMUNE System is literally the antidote to the negative onslaught of modern living—especially life in the fast lane!

# Everyone Needs Protection. Everyone.

**Weakened immune systems are common in our fast-paced, stressed-out and toxic-ridden society.**

It is dangerous at any time, but especially during the cold and flu season. Protect yourself by supercharging your immune system with the best herbal formulas anywhere! They are more effective than anything you will find in any other health food store.

**Echinacea Purpurea Fields**

**Echinacea Purpurea Seed**

## Extremely **Effective!**

The first documented medicinal use of the Echinacea herb goes back to the 17th century with Native Americans. Since then, studies like the German K Monographs, along with many others, have proven again and again that Echinacea is one of the most powerful immune system stimulants in nature.

The potency of Echinacea is based on how well it's prepared. Our Echinacea Purpurea seeds are planted in the ground for a minimum of two years to yield the highest quality seeds. Almost all other herbal companies harvest within a twelve-month cycle.

# 4 Powerful Reasons To BOOST Your Immune System Naturally

## Stress Burns Out Your Immune System

Your immune system's job is to protect you and kill off any "invader" your body comes in contact with. Unfortunately, most of us are dealing with unprecedented levels of stress, a lack of sleep and exercise, and a toxic environment. Modern life causes your immune system to fight a constant, uphill battle that wears your immune system down. Even if you live a healthy life, you need a constant high-level supply of readily available vitamins and immune-boosting herbs, especially during the cold and flu season.

## Influenza Virus Is A Killer

Influenza is the only reoccurring epidemic in America, killing an average of 50,000 American men, women and children every single year, plus many more worldwide. Some years in America, it kills over double that amount. A strong immune system is what protects you. Don't put yourself at risk.

## Antibiotics Are Useless

According to the AMA and most medical experts, antibiotics are absolutely USELESS for treating influenza (which are viruses), colds (which are usually also viruses—the rhinovirus) and even upper respiratory tract infections (that are sometimes bacterial). Regardless, antibiotics do not seem to have a positive effect in treating any of them. Worse, antibiotics don't educate your immune system, leaving you susceptible to the same bug over and over again.

## Flu Shots Don't Work

There are hundreds of known influenza virus strains and over 200 common ones. They never come alone, and each year we see a new and unique blend of many old viruses, along with some new, mutated ones we have never seen before. This is why the flu shot is truly "psychic medicine". Since it takes months to manufacture the vaccine, the viral "mix" has to be a guess, a prediction, of what is thought will be arriving the next flu season. To date, NONE of these flu shot predictions has ever been accurate to what actually arrived the following season. Worse, the flu vaccine contains many deadly chemicals used to preserve the over 100 million doses that are created each year. Chemicals like mercury, ethylene glycol, carbolic acid, and aluminum. Don't waste your time, or risk your health.

It's the **ULTIMATE**  
because it's packed  
with **more herbs than  
anyone else** would  
ever put in one bottle!

# The Cleansers.

Routine cleansing of all your major elimination channels to stimulate, flush, and tone your body is essential for optimum health.

Dr. Schulze's 5-Day Detox programs are designed to cleanse and detoxify your Bowel, your Liver, and your Kidneys. **This is preventative maintenance for your whole body.**

Every single one of the 37 trillion cells in your body creates metabolic waste as it functions. Therefore, the constant elimination of this cellular waste is of the utmost importance to PROTECT you, PREVENT illness, and create POWERFUL health.

Every cell relies on your body's "garbage disposal" systems—like your bowel, liver and kidneys—to remove this waste from your body.

When any of these waste disposal systems gets congested, sluggish, or slows down, your cellular

waste starts backing up. This is a serious health problem.

At first, you'll feel bad, have low energy, headaches, and feel sick because you are living in a polluted body. When these systems back-up or stop, you become diseased, get really sick, and can even die.

Like preventative maintenance for your car, routine seasonal detoxification is preventative maintenance for your body. It protects you from illness and keeps you strong and healthy.

# Life Changing Body Cleansers.

## The Incurables Program

A Life-Saving **Intensive Detoxification Program!**

At last, a serious detox that is clinically proven, powerfully effective, and life-changing. This program is for anyone who has been told by their doctor that they should be seriously concerned about their health.

Dr. Schulze's famous **Incurables Program** has helped thousands of people regain their health and naturally heal themselves. With additional healing routines like the herbal heating bath, cold sheet

treatments, high enemas, rectal garlic enemas, and juice fasting, Dr. Schulze's patients have experienced healing miracles on this program. This is the program for you if you want to regain control of your life and need to turn your health around.

Don't give up hope—this program gives life-altering results!

# 3 Powerful Reasons To Detox & Cleanse Your Body Regularly

A Detox Program not only removes backed-up, accumulated and stored waste, toxins, and poisons from your body; keeps you healthier and cleaner by making your body a more efficient elimination machine. When your elimination systems are cleansed, detoxified, and tuned-up, three things happen:

## Problems Go Away

In the first week of medical school, you learn that one of the most basic yet primary functions of the human body is to repair and heal itself. Detoxification is one of the first steps to get all of the accumulated and stored waste out and triggers your natural, self-healing response.

In his clinic, Dr. Schulze personally witnessed every ailment and disease known to reverse and heal itself after cleansing the body and creating a healthy lifestyle. His bottom line: "There isn't any condition of the human body that isn't helped by getting healthier and cleaner, and a detox is the place to start."

## Again, Problems Go Away

What made Dr. Schulze's clinical approach unique is that he never tried to heal his patients. Instead, he put them on all of his Detox Programs to flush the waste out of their bodies and then helped them to create a very healthy lifestyle—physically, emotionally, and even spiritually. Once the power of these Detox Programs and this new healthy lifestyle "kicked in", their problems simply disappeared. Bottom line: when you get clean and healthy, your body will find problems and get rid of them, resulting in repairing itself and healing itself.

## More Energy, Energy, **ENERGY!**

After completing a Detox, one of the most common responses and comments from customers was that they felt 25 years younger, because they now had more ENERGY than they had ever felt in their lives.

The reason is simple. After a Detox, your body is clean, clear, and operates more efficiently. It assimilates nutrition quicker, it eliminates its waste faster, your immune system gets stronger, and every internal organ benefits. All of this contributes to feeling great and having more ENERGY.

There are literally hundreds of reasons why, when you clean up your body and get your elimination organs working more efficiently, you will notice that you have an abundance of (you guessed it)...ENERGY!

“I’ve been taking your products for years and I LOVE them! But my husband, well, that’s a different story. No matter what I said, or how good I felt, he just thought it was weird. This past January, a miracle happened! I bought him a bottle of your new Protect Formula, told him I loved him and asked him to please just take two pills a day. And you know what? HE DID IT! But that’s not the miracle. The miracle is, he actually admits to feeling pretty good and he wants to keep taking it! I don’t know how you did it, Dr. Schulze, but you did it!! From the bottom of my heart, thank you.”

# What Products Should I Use For Particular Ailments?

A healthy lifestyle comes first! Dr. Schulze always says, “True healing comes from creating a healthy lifestyle, stopping the things you did that made you sick in the first place, and starting new programs of health and wellness, like healthy food programs, elimination programs, detox programs, exercise programs and programs that create emotional wellness. This is true healing!” So work on getting YOU well by adopting these principles, and don’t try to change your life by ONLY using his herbal remedies—change your life by changing YOU! Today, we have discovered the limitations of medical doctors trying to poison people with chemicals. Let’s be honest—it doesn’t work! Getting well depends how you live your life, and how you change your life when your life depends on it! Being proactive first is what counts!

We must also legally advise you that Dr. Schulze is not a Medical Doctor. His opinions regarding health and healing disease are based on his own personal experience and that of thousands of patients that he treated in his clinic over a period of decades. If you have any illness or disease, we must advise you to consult a licensed medical professional.

## How to use this listing

In this listing, we identified different conditions that you might experience. Each is followed by Dr. Schulze’s Herbal Formulas and Programs that he recommends based on his clinical experience. Some conditions have two or more formulas and programs listed. All suggestions are listed in their order of priority, so start with the first formula listed. You may use more than one formula at a time. If you start with one and after a reasonable period of time you do not get the desired results, add the second and then the third recommended formula. Continue to use the first formula when adding the second and so on. Keep in mind that Natural Healing is based on helping your body do the work it was designed to do. So please use Dr. Schulze’s Foundational Products to get the nutrition IN and the toxins OUT, and build a powerful immune system. Then, add specific formulas as you see necessary.

Read Dr. Schulze’s “20 Steps to a Healthier Life” Book. Call us toll-free at 1-800-HERBDOC (437-2362) and get a FREE copy of this book and/or his “Get Well” CD, which describes each of these 20 steps in more detail. EXPERIENCE

Dr. Schulze has studied, trained and been educated by the most renowned and prolific leaders in Naturopathy and Herbology:

- Paavo Airola, renowned European Naturopath
- Dr. Bernard Jensen, famous nutritionist, Natural Healer, author and professor
- Dr. John Ray Christopher, Doctor of Herbology, Herbal Pharmacist, Master Herbalist, founder Natural Healing School in Utah

He has lectured at numerous institutions including Cambridge and Oxford Universities in England, Trinity Medical College in Ireland, Omega Institute in New York, and Cortijo Romero in Spain.

Dr. Richard Schulze is a world renowned Natural Doctor who opened his first clinic 35 years ago, to help patients with incurable diseases beat all odds and get well.

PERSONAL HEALING MIRACLE

When he was only 11 years old, his father died in his arms from a massive heart attack. At 14, his mother died of a heart attack. They were 53 and 55 years old. At the age of 16, after a year of ill health, medical doctors diagnosed young Richard Schulze with a genetic heart deformity and heart disease. The doctors told him that unless he underwent open-heart surgery, his weak, deformed heart would not be able to pump sufficient blood to an adult body, and he would be dead by age 20. He declined to have the surgery and, instead, made it his quest to discover alternative ways to heal his heart.

Over the next three years, he made radical changes to his lifestyle, immersing himself in literally hundreds of intensive Natural Healing programs. He became a vegan, began an intensive exercise program and literally changed everything that went in and out of his body, mind, and spirit.

After three years, he returned to the same medical doctors who had told him he would die without surgery. This time, they told him his heart had miraculously healed itself. Dr. Schulze had created his first healing miracle.

HELPING PEOPLE LIVE A VIBRANT LIFE IS HIS MISSION

In 1994, after 15 years of formulating herbal medicines for his patients, Dr. Schulze opened the American Botanical Pharmacy, which manufactures and sells his effective pharmaceutical grade herbal formulas to the public.
